

Dear Parent/Carer,

JACK AND THE BEANSTALK - PANTO ONLINE

We are delighted to inform you that the BSA have organised an **Online Pantomime** which will stream into school on **Friday 9th December**. Children will enjoy over an hour of pantomime fun, which they will watch either as a class or in the hall. The show will be Jack and the Beanstalk, and is performed by Panto Online. You can find out more about them here: <https://www.pantoonline.co.uk/>

To make it that extra bit special, we've arranged for interval ice creams for the children to enjoy (or ice lollies for those with dairy allergies). **We will cater for allergies and dietary restrictions but if you do not wish for your child to receive an interval snack, please let the office know.**

The BSA has raised a great deal of money already this year and that's thanks to you, so this event is entirely **free** and our way of giving back to the school and providing something for all the children to enjoy together.

Thank you for your continued support.
