

### Forest School Club – Years 3 and 4 After School Club

Thursday 12<sup>th</sup> January – Thursday 9<sup>th</sup> February: 5 sessions

Thursday 23<sup>rd</sup> February – Thursday 23<sup>rd</sup> March: 5 sessions

**£4 per session = £40**

Dear Parents/Carers,

I would like to run a Forest School club on Thursdays after school. This will involve activities including:

- Fire lighting
- Den building
- Cooking on a fire pit
- Woodland craft such as whittling or weaving
- Learning how to use various tools

It will take place in the wooded area at the back of the playground and run from 3.20-4.20pm. We may also get the opportunity to explore the meadow as part of our woodland adventures too.

**Forest School has an important role to play in connecting children to nature as we strive towards a sustainable future for all. We also have an increasing understanding of how green and blue spaces aid our mental health. Green times need green minds!**

In order to cover the cost of supplies of craft, food and kindling etc... I will need to charge £4 per child each week. Once you have a place confirmed you will be sent details on how to pay.

Please email the school office if your child is interested in joining the club:

[admin@bransgore.hants.sch.uk](mailto:admin@bransgore.hants.sch.uk)

Please note that for Health and Safety reasons I will only have 20 spaces available, so these will be offered on a first come first served basis with a reserve list. Places will be reviewed termly.

Children are to bring into school outdoor clothing to change into and outdoor shoes/wellies.

Finally, if you are interested in helping with this club, then please let me know in your email, it would be wonderful to have some parent helpers as part of the team!

With best wishes for the new year!

Helen Fletcher

Year 5/6 teacher
