

Dear Parent / Carers,

### **Tea Towel Fundraiser from the BSA**

As part of our fundraising this year each child will be drawing their own self-portrait, in class, which will form part of a full colour tea towel designed to show all of the children in their year group with their drawings and their names.

We think this will make a great gift for family and friends and the tea towels will be produced in time for Mother's Day, so could be a gift to celebrate anyone you choose to on that day.

We hope you'll agree it is also a great memento of your child's year group and their artistic skills and suitable for any occasion.

The product is 100% cotton and is high quality. The cost of each tea towel will be £7.

You can view an example of similar designs using the link below. We have decided not to include a proof service, as children may like to keep the design a surprise.
